

Shellscape Category 3 Display Fireworks Training Courses

Shellscape Category 3 Fireworks Training Courses are designed to give an overview of the safe use of Fireworks. You must be at least 18 years of age to attend these courses as they involve handling of live fireworks.

The courses are run at the Company's Factory in White Waltham and cover the practical, handling and safety aspects of Display Fireworks as the main theme, broken down into the following sections.

An Introduction to Display Fireworks:

The basic chemistry of fireworks and the combustion triangle
Methods of manufacture
Fireworks Identification

Practical Use of Fireworks:

Safe handling of Display Fireworks
Site Layouts, Surveys and Risk Assessments
Correct Installation and set up of Fireworks
Safety Distances
Weather effects
Management of the display area

Display Techniques

Designing a show
Materials Selection
Layering of Fireworks

Legal Requirements:

Notifications
Your Responsibilities
Event Insurance
Fireworks Legislation

It is important to note that these courses do not confer levels of competency or an assessment of personal ability. The courses are run to give a practical insight into Fireworks with the aim of better understanding the materials, safety considerations and display craft.
